Pina Colada

To prepare a delicious Pina Colada cocktail quickly, we have the perfect solution. The Fresh Fruit Express Pina Colada Instant mix. You add this instant mix to the pineapple mango smoothie in the blender, together with alcohol, in order to prepare a fresh pina colada.

Blender

For best results, use the professional low-noise professional blenders of our own brand or one of our other brands. These blenders are available starting at as little as € 200,- excl. VAT and are only available at Fresh Fruit Express webshop.

Preparation method for other fruit cocktails

With the other fruit cocktails, replace the sunshine mix with the fruit mixes on the menu and the rum with Baileys, Gin or Vodka. Then also add 2 or 3 ice cubes.

Preparation method Pina Colada

1. Pour 250 ml Fresh Fruit Express smoothie base juice in a professional blender
2. Then empty the frozen Fresh Fruit Express pineapple and mango fruit bag of 150 grams into the blender
3. Add 3 to 5 ice cubes and lemon juice
4. Add 50g of Fresh Fruit Express Pina Colada Instant mix.
5. Add 35 ml rum
6. Then mix your combination very finely
7. Pour the cocktail into a glass or a disposable cup and present it with a straw of at least 8 mm
