100% Fruit Smoothies, Milkshakes and Cocktails

Fast, Easy and Freshly blended from the freezer

Nowadays Fresh Smoothies have become very successful in the foodservice business. Fresh Fruit Express is a easy and complete concept that allows you, already with a very small investment in a professional blender, to have your own smoothiebar concept.

The Fresh Fruit Express assortment offers seven different frozen fruit combinations, smoothie basis and Piña Colada Instantmix. With these articles you can blend very quickly and easily a delicious Fruit Smoothie, Fruit Milkshake, Dessert or Piña Colada.

The Fresh Fruit Express smoothies won't separate for 4-5 hours, so they can also easily be prepared in advance. With the Fresh Fruit Express blenders you can prepare 240 Fresh Smoothies within 1 hour.

Each bag with a frozen fruitmix contains 150 grams of special sun-ripened smoothie fruit. The Smoothie basis consists of 100% fruit and is the key to get the perfect smoothie-structure and smoothie-taste. With 250ml of this special smoothie basis and a bag of frozen 150g fruitmix, directly from the freezer, you can prepare a delicious fresh fruit smoothie of ± 400ml in 35

Smoothie:

Combination of a bag of frozen fruitmix and 250ml Fresh Fruit Express Smoothie basis.

Dessert:

Fruit Milkshake Combination of a frozen fruitmix and 250ml Fresh Fruit Express Smoothie basis. Add two balls of icecream or soft icecream.

Cocktail Pina Colada:

Combination of a frozen fruitmix and 250ml Smoothie basis. Add 35ml vodka, baileys, gin or rum. For Pina Colada add rum, ice cubes, lemon juice and add 50g or two coffee spoons of our special Piña Colada Instantmix.

Preparation Schedule:

- Pour 250ml of Smoothie Basis in a professional blender for each smoothie.
- Put your frozen bag with 150g of frozen fruit also in the blender for each smoothie.
- For a fruit milkshake or dessert you add frozen yoghurt or (soft) icecream.
- Mix your combination until it has a smooth texture.
- Pour the ± 400ml smoothie, fruit milkshake or (Piña Colada) cocktail in a large glass or a Fresh Fruit Express disposable and present with a straw of at least 6 mm.

For the best blended results use the professional low noise Waring blenders or one of our other quality blenders. See our webshop www.freshfruit.express for our special offers on blenders and disposables.

The seven frozen fruitmixes, the Smoothie Basis and the Piña Colada Instantmix of Fresh Fruit Express are available at your supplier and our special partners throughout Europe. For order lists and preparation schedules see our website or ask your supplier.

Also ask for our free posters and table and menu cards to support this unique fresh smoothie concept.
